

**Thank you
for your
generosity
.....here's
an update.**

Sue Wales' trip to Uganda raised £2,990 for Mosquito nets. Sue leaves on 13th February and is "stunned by the generosity of the fellowship.

Thank you so much", she says.

We sent £656 to the Kings Church **Cockermouth** for flood victims from the Christmas Day offering and Christmas card collection. Pray for them as they reach out to the community with the gospel. Thanks for your love and concern.

We were privileged to see the Novosibirsk **Discipleship Centre** almost complete just before Christmas; we look forward to updates from Colin and Bron about the work of the Centre. We sent them £652 from the Christmas offerings. Colin and Bron send their love and say a big "Thank you".

Haiti. We sent £1,707 to Tear Fund to bring help and relief for those caught up in the earthquake. This appeal will stay open until Sunday 14th February, when we'll send a final gift.
